## March 2019 Programs

**Tuesday, March 12 1:00 p.m. “New Research Tips for Family Search”**

**Presented by Barbara Elliott**

FamilySearch.Org is constantly being updated with new information. Sometimes it is difficult finding the information that you are searching. I will show you some of the ways in which to extract some of that information. For researchers that use Family Search all the time, this information may not be new, but hopefully I can show a different way in which to find that information.

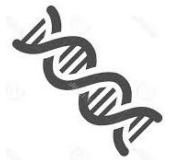

**Tuesday, March 19 9:30 – 11:30 a.m. \*\*Early Bird\*\***

**“New Ancestry DNA Story Results: Why Did My Ethnicity Change”**

**Presented by Greg Liverman, PhD**

Greg will review how ethnicity reports are done and specifics about Ancestry DNA. He will illustrate the old and new reference groups, what the changes are, and why the results changed. Specific examples supplied by members will serve as illustrations – both examples that were improvements and those that were not what was expected.

**Tuesday, March 19 1:00 p.m.**

**“Pennsylvania German Birth & Baptismal Certificates”**

**Presented by Wendy Dillenschneider**

Wendy will show pictures of several Pennsylvania German birth and baptismal certificates, called “Taufscheine.” She will explain how they can be read even if you do not read German handwriting or German typeface (Fraktur). They are very important for anyone researching Pennsylvania German ancestors. Especially since they usually contain the holy grail of the mother’s maiden name! She will also bring several examples for the group to look at. The Society will find this talk very interesting and helpful.

*The Columbine Genealogical & Historical Society* meets at the Lutheran Church of the Holy Spirit, 6400 S. University Blvd., Centennial, CO.
